Welcome to appWash!

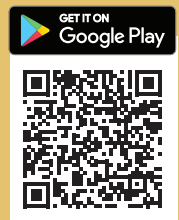

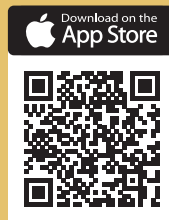

Washing laundry is certainly not one of your favourite activities, but in the end there is no way around it. To make it more comfortable, you can now use appWash.

Here's how it works: Get our "appWash by Miele" app on your smartphone, register and you can start immediately.

- See all available machines from your apartment
- Book our Miele machines online – click "pay and start" – don't worry it's for free!
- Join our laundry room and start your machine
- Receive a notification when your laundry is ready
- Questions? Just chat with our support team!

We are convinced that our solution will make washing and drying more convenient for you. No lack of user support, no long queues for available machines, no uncertainty if the laundry is done.

Happy appWashing!
